Volunteering Experience:

Coordinator, Event Shuddhi, Give Bangladesh Foundation

- Coordinated a 3-month-long event titled "Shuddhi," focusing on Water, Sanitation, and Hygiene (WASH) development for Persons with Disabilities. The event activities included fundraising, liaison with disability schools, conducting baseline studies, and implementing operations.
- Through this initiative, 95 hearing-impaired girls and 15 visually impaired girls received participatory training on menstrual hygiene. A menstrual hygiene kit containing yoga mat, hot water bag, and basic hygiene supplies was provided in the girls' dormitories.
- Another aspect of the event involved promoting personal hygiene practices among visually impaired children. 42 visually impaired students were trained through a storytelling session. Following the session, the students were provided with brushes, toothpaste, and basic hygiene supplies.
Event Location: PHT Centre, Mirpur 14, Dhaka, Bangladesh.

Emergency Responder, Cyclone Mocha response team, Give Bangladesh Foundation

- As an Emergency Responder with the Cyclone Mocha Response Team, I visited to Hnila Union, Teknaf, which was anticipated to be affected by Cyclone Mocha. During this visit, I collaborated with the local volunteer team to assist in evacuation efforts and coordinated the distribution of relief supplies in preparation for the cyclone's impact.
- Assist in making video content for fundraising activities.
Location: Hnila, Teknaf, Cox's Bazar

Team member, MHM Braille Book Development Team, Project Konna, Give Bangladesh Foundation

- Assisted the Project Manager in developing the first-ever Braille book on Menstrual Hygiene Management in Bangladesh. 70 visually impaired students received braille books in 2 different schools in Dhaka, namely Imam Foundation Mahila Madrasah & Baptist Mission Integrated School.
- Liaised with Braille book publishers and coordinated with visually impaired schools for the distribution of the book and related event interventions.
Event Location: Dhaka, Bangladesh

Team member, MHM Policy Advocacy, Give Bangladesh Foundation

- Coordinated and liaised with relevant stakeholders for the data collection drive.

Volunteer, Research Publication Fair-2022, University of Dhaka.

Mapping Volunteer, Tanzania Development Trust, United Kingdom

- Voluntarily mapped households through OpenStreetMap to identify locations in Tanzania. The objective of this initiative was to pinpoint households to facilitate the tracing and protection of adolescent girls from Female Genital Mutilation (FGM).

Scribes, Physically Challenged Development Foundation, University of Dhaka.

- Assisted two visually impaired students from the University of Dhaka during their exams

Conference Volunteered

- National Conference on Disaster, Climate and Sustainability
- National Conference on Climate Change and Resilience in Urban Bangladesh

Training Received

- Active Citizens Youth Leadership Training Program, British Council

Technical Skills

- MS office, SPSS, KoboCollect Toolbox, Canva.

Language Proficiency :

Bengali- Mother Tongue, English- Proficient user
