

Social media advertisement FOR QUANTITATIVE STUDY

BRAC James P Grant School of Public Health is looking for Field Research Assistants (FRAs for the quantitative segment) for the "**Transportation Accessibility and Safety in Dhaka City: A Gender-Based Assessment**" study, which is being conducted by the Centre of Excellence for Urban Equity and Health (CUEH), BRAC JPGSPH.

Position: Field Research Assistant (Quantitative)

Educational requirement: Bachelors in any discipline. Experience in collecting data through virtual means (mobile phone/tablet).

Duration: 1 day (7:00am-10:00pm)

Location: All over Dhaka

Training start date: 30 October 2023

Remuneration: As per JPG policy.

Interested candidates should send their resumes to: saba.sabnam@bracu.ac.bd by 20th October 2023.

Only shortlisted candidates shall be invited for the interview. The applicants must keep in mind before applying that the responsibility includes standing at the bus stand in Dhaka city from 7:00 am to 10:00 pm and collecting quantitative data.

BRAC JPGSPH regrets to inform you that it is not liable to reply to all the submitted applications.
