SHORT COURSE ON MONITORING EVALUATION AND LEARNING

COURSE FEE: BDT 12,000

5 - 6 - 7 & 8 FEBRUARY, 2024
9:00 AM - 5:00 PM

HOW TO APPLY:
Please follow this Link: https://forms.gle/aTcMPbpe8iFVcigX8 to complete the REGISTRATION FORM and submit by WEDNESDAY, 31 JANUARY 2024.

ABOUT THE COURSE
Monitoring, evaluation and learning (MEL) are essential for improving programme quality and effectiveness. Monitoring and evaluation (M&E) collect and analyse information systematically to understand progress in programme/project as planned and assess whether desired results are achieved. M&E as a management tool help evidence-based decision making. This course aims to enhance knowledge and skills of the development practitioners on various MEL concepts, approaches and tools. On completion of this course, the participants will obtain a thorough understanding of MEL and its implications on programme/project quality improvement and effectiveness. The course will build their capacity to design a result-based M&E system according to their needs.

DURING THE COURSE YOU WILL LEARN
- Result-based management, and its significance.
- Result-based approach to M&E and its alignment with learning and accountability.
- Introduction to Logframe and Theory of Change.
- M&E framework and how it underpins project monitoring and evaluation.
- Identifying indicators for M&E.
- Deigning an evaluation.
- Outcome monitoring.
- Methods of data collection and analysis in M&E.
- Principles and steps in Data Quality Assurance (DQA).
- Key concepts of Accountability and Learning.
- Use of M&E information for evidence-based decision making.
- Planning and budgeting for M&E activities.

WHO CAN APPLY FOR THIS COURSE?
This course is designed for M&E professionals, their line managers, programme/project managers, people involved with fund raising and business development and any other relevant mid-level development practitioners working at the government organisations, non-government organisations and international organisations. This course is suitable for any enthusiastic individuals who is willing to learn about monitoring, evaluation learning and accountability.

COURSE FACILITATORS
