

Workshop on Fundamentals of Qualitative Research: Thinking Qualitatively

Date: 29-31 March 2022 | **Participants:**

Brief:

BRAC JPGSPH organised this three-day in-person workshop on Fundamentals of Qualitative Research, titled- 'Thinking Qualitatively', from 29-31 March 2022. The workshop was facilitated by Professor Shahaduz Zaman, Medical Anthropology and Global Health Departmental Lead, Culture, Society and Health Theme and Co-Director, Social Sciences for Severely Stigmatized Skin Diseases (5S) Foundation, Global Health and Infection Department, Brighton and Sussex Medical School, University of Sussex, UK.

The three-day workshop provided a deeper understanding of qualitative research methods to the participants, which included development practitioners and aspiring researchers working in public sector institutes, NGOs, academia, research institutions, and other civil society organizations and are involved in qualitative/mixed method research studies.
